Re: request for phone conference to discuss application No 10/566,482

Dear Mr Bhat,

In response to your last report on the above application mailed 05/07/2009, I would like organize a phone conference to discuss the possible allowable subject matter.

Would 8.30 am on Wed 8 July 2009 be suitable?

You could reply to my email (listed below) if this is more convenient.

Thanks & regards,

Michael Bazylenko, PhD
